All of our bacon and sausage are smoked on premises in the Big Bad Smokehouse. • Our orange and grapefruit juice is squeezed daily and is therefore unpasteurized. • Eggs are coming from a variety of cage free local suppliers (when available). • Cattle are all organic and grass-fed. • Whenever possible, we source local produce. • Jellies, jams, and preserves are made fresh daily with a selection of fresh fruits and berries. If ever we offer catfish, you can bet the farm it's Mississippi Delta Farm-Raised catfish. • We attempt to use whatever recyclable products we can and work within as green a program as possible.
